Contribution to the Digicult newsletter

It has been agreed (May 2005) with Ms Manuela Speiser that she will inform us in advance when the next number of the newsletter is planned, in order to prepare a contribution of a convenient size and scope. As yet no communication has been received by us, and a draft copy is being maintained updated to be ready for submission when requested. It is largely based on the current issue of the EPOCH newsletter, the latest one being dated June 2005.
